ST. ANNE'S
CATHOLIC SECONDARY SCHOOL

Huron-Perth Catholic
District School Board

Friday November 13, 2026

Dear St. Anne's Families,
With winter fast approaching, we must be prepared for inclement weather and possible bus cancellations. Please read our procedures for inclement weather days should we have bus cancellations or a school closure. Our goal is to keep to a consistent schedule and routine whether students are learning in-person or remotely on inclement weather days. Please become familiar with your student's online classrooms by visiting them with your child.

Expectations for Students when St. Anne's C.S.S. is CLOSED to Students
Courses will move to inclement weather programming which is a combination of synchronous and asynchronous learning using a LMS (D2L, Google Classroom). ***Students are expected to join their classes remotely at the start of each period (9am, 10:20am, 11:45am - junior, 12:25pm-senior & 1:45pm)*** *and participate in the learning provided.*

A Note on the Cancellation Procedures
1. **Bus Cancellations** - Decisions regarding bus cancellations are made by bus operators. Bus operators will post all school bus cancellations and/ or delays using the Huron Perth Student Transportation Services (HPSTS) webpage and the BusPlanner Delays App.
NOTE: *If your child's bus is cancelled and the school remains open, it is the parents/caregivers responsibility to inform the school if they will be absent. The student should check the LMS for work that will be covered that day.*

2. **School Closure** - The decision on closure of the school is one which is made in consultation between the Principal and Superintendent. If the decision is to close the school, then we will communicate this information using the following methods:

- HPSTS/ Bus Planner Alerts website/app
- School Messenger
- Social Media (Facebook)
