

ST. ANNE'S CATHOLIC SECONDARY SCHOOL

St. Anne's Catholic Secondary School Assumption of Responsibility - Chromebook 1:1 Initiative

To support learning from Kindergarten to 12, the Huron-Perth Catholic District School Board will provide each student with a Chromebook and charging cord as part of the 1:1 Chromebook Initiative. The Chromebook shall remain the property of the School Board for the duration of the program, however, parents and students are responsible for the care of the Chromebook during this period.

The Chromebook will only be provided to a student once a parent/legal guardian has agreed to the terms of this Form and have duly submitted it to the School Board.

If you do not require the use of a board-issued device and instead, choose to bring and use your own personal laptop or computer each day to school, you do not need to complete this form.

- I acknowledge that the HPCDSB Chromebook is only to be used by my child and remains at all times the property of the HPCDSB. I agree to return the Chromebook to HPCDSB if my child leaves the HPCDSB or if requested by a representative of HPCDSB, including but not limited to, a Principal or technical support of HPCDSB.
- Students Grade 9-12 are expected to arrive at school every day with their device fully charged and ready when needed (some at school charging exceptions may apply).
- All HPCDSB Chromebooks must be returned to the HPCDSB in good repair. If a student experiences an issue with a device provided under this Form, they are to notify their classroom teacher/teacher librarian who can help coordinate technical support.

I agree and understand.
